What features are available?

When you log in you will be taken to the Parent Portal dashboard. From here you'll be able to access the different features 5th Frome will be using. Will be starting with a few of OSM's Parent Portal features and then add more in the future.

The features available will been seen in the menu on the left of the dashboard. You may find you need to click the three vertical lines () in the top left corner of the dashboard to see the menu.

We will be introducing this in the future. This will be where the details of events, such as camps will be kept. You'll be able to view event details, sign up and pay for the event here.

Programme

Badges

Here you can see what badges are available in the section, which badges have been awarded to your child and where on the uniform the badge needs to be sewed.

Personal Details

Here you not only be able to see what personal information we hold on your child, but also you will be able to edit it. It's important that this information is kept up to date. So, if anything changes, please log in and update this section for us.

Emails

Any emails we send you through OSM will be stored here for you to go back any access.

Gift Aid

5th Frome Scout Group can reclaim the tax on your membership fee payments, *at no cost to you*, via the Gift Aid scheme.

Please visit this section and make the declaration, if appropriate. In the future you may receive an automated message from OSM asking you to complete the Gift Aid Declaration.
